

Quality Statement

GSJP Civil Engineering Ltd provides quality management, co-ordination, production and efficiency and construction services throughout our operating region. The Company has developed its expertise since its establishment and its aim is to achieve a high standard of construction and service to its clients.

It is the policy of GSJP Civil Engineering Ltd to provide the customer with goods and services to the agreed requirement in accordance with the details and price.

The Directors, Management and Staff are responsible for Quality Control through the Quality Management System seeking improvement by constant review, with suppliers and sub-contractors being encouraged to co-operate. The Company is committed to achieving customer satisfaction using quality procedures which will be operated to meet or exceed the requirements of ISO 9001.
